ABOUT US

The Muslim InterScholastic Tournament (*MIST for short*) is filled with activities like academic competitions, Islamic workshops, and a plethora of creative outlets for high-school students. Our goal is it to unite high school students from all over Tennessee to better develop their leadership skills, promote healthy discourse, and encourage creative expression, all while gaining a deeper understanding of Islam.

MIST Nashville has grown into a community where Muslims come together to create a memorable weekend through competition, coaching, and collaboration. The energy and spirit of a MIST weekend is *truly* one of a kind! Every year a new theme challenges our students' creativity, each year a different team of volunteers & coaches participate, and each year a special set of sponsors make it all happen.

WHY DONATE?

Sadaqah

Any donation or sponsorship made to MIST Nashville is a Sadaqah! Your donation is a voluntary act of charity for Allah.
